CHALK TWISTER CHALLENGE IN ONE!

MATERIALS NEEDED:

A pack of chalk.

CHALK TWISTER

A pack of chalk

1. Draw coloured circles on the ground using your chalk to represent your Twister mat.

3. Keep going until someone tumbles over, and then start again.

2. Have an adult or a friend call out a colour at random and a left or right hand or foot. Each player must put the corresponding hand or foot on that colour
Fun tip: Spice it up and roar like lions on blue circles or hop like bunnies on a green circle. Laugh like your mum on a yellow circle and stand as tall as a tree on a pink circle.
